MITTEN TREE

Since the cold weather is here, so is the need for warm clothing. To aid the Clintonville Resource Center in serving those in need St. James is once again collecting hats, mittens, scarves, gloves and socks. We have been informed there is a particular need for socks. There is a tree in the north foyer where you can hang your items or you can put them in the box provided. Items will be collected through the Feast of the Baptism of Our Lord (January 8th). Thanks for your generosity
